## OUR COMPETITIVE CHEER PROGRAM

- Our new competitive program will include approximately 4 - 6 competitions in the local area (nothing further than one hour away).
- Price of \$180.000 per month includes 4 hours of cheerleading per week plus 1 1/2 hours of instructed tumbling. Because this is a team sport, students are required to attend both Tuesday and Thursday practices (one day option not available). Students are also encouraged to attend tumbling classes once per month (included in the monthly tuition) to enhance their tumbling skills. Tumbling is offered Wednesday from 5:30 - 6:55. Students MUST sign up for this tumbling class with the office at least 48 hours in advance of the day they hope to attend.
- Tuition can be paid on a monthly basis only through our automatic bill pay system ONLY. Competitive cheer students are not eligible for paying per session, as the competitive session extends over sessions.
- In addition to monthly tuition competition fees will be totaled and divided into a monthly team fee that will be paid on the first of the month from October through March (or April if our team makes the final competitions).
- There is an annual registration fee of \$50.00 per child or \$70.00 per family.
